Section 100. Name of City; Perpetual Succession

The city of El Cajon shall continue to be a municipal corporation known as the city of El Cajon. The boundaries of the city of El Cajon shall continue as now established until changed in the manner authorized by law.

Section 101. Rights and Liabilities of Cities; Prior Contracts, Liabilities, Etc., Continued in Effect

The city of El Cajon shall remain vested with and shall continue to own, have, possess, control and enjoy all property rights and rights of action of every nature and description owned, had, possessed, controlled or enjoyed by it at the time this Charter takes effect, and is hereby declared to be the successor of same. It shall be subject to all debts, obligations and liabilities, which exist against the City at the time this Charter takes effect. All lawful ordinances, resolutions, rules and regulations, or portions thereof, in force at the time this Charter takes effect and not in conflict with or inconsistent herewith, are hereby continued in force until the same have been duly repealed, amended, changed or superseded by proper authority.

Section 102. Municipal Affairs

Each of the responsibilities of governance set forth and described in this Charter, and as established by the Constitutional, statutory and judicially defined law of the State of California, is hereby declared to be a municipal affair of concern, the performance of which is unique to the benefit of the citizens of the city of El Cajon.

Section 103. General Powers; Seal

The city of El Cajon, by and through its legislative body and other officials, shall have and exercise all powers necessary or appropriate to a municipal corporation and the general welfare of its inhabitants, which are not prohibited by the Constitution of the State of California, and which it would be competent for this Charter to set forth particularly or specifically, as fully and completely as though they were specifically enumerated in this Charter. The enumeration in this Charter of any particular power, duty or procedure shall not be held to be exclusive of, or

any limitation or restriction upon, this general grant of power. General powers of the city include, but are not limited to, the powers necessary or appropriate to promote the health, welfare and safety of its inhabitants. The city shall have and use a common seal and the official seal hereinbefore adopted and now in use by said city shall continue to be the official seal of the city.

Article 2 Form of Government

Section 200. Form of Government

The municipal government established by this Charter shall be known as the "Council-Manager" form of government. The City Council will establish the policy of the City and the City Manager will carry out that policy.

Section 201. Legislative Body; Composition

The legislative body of the City shall consist of a Mayor, who shall be elected directly, and four persons elected at large. This legislative body shall be known as the City Council, and each of its members shall be known as "Council Members."

The Mayor and the Council Members shall be elected by the qualified voters of the City at a general municipal election to be held on the first Tuesday after the first Monday of November of every even-numbered year. Their terms shall be staggered in the manner as existing at the time of the adoption of this Charter. They shall hold office for the period of four years from and after the date of certification of election results by the City Council, and until their successors are elected, and qualified.

The members of the City Council shall not be eligible to any other office or employment with the City during the period of their incumbency, and for a period of one year following the termination of their position on the City Council.

Section 202. Time and Place of Meetings; Rules of Conduct of Proceedings

The City Council shall provide by ordinance for the time and place of holding its meetings. Special and emergency meetings shall be called in accordance with the provisions of general law. There shall be at least one regular meeting in each calendar month. Any regular meeting may be adjourned to a date and hour certain, and such adjourned meeting shall be a regular meeting for all purposes.

Meeting locations and rules for notice of, and conduct of, meetings of the City Council and all subordinate legislative bodies in the City shall be conducted in accordance with state laws and such rules for procedure as established by ordinance of the City Council.

Section 203. Administrative Officers; Appointment and Removal; Grounds

"For cause" includes, but is not limited to, refusal to perform the duties of his or her office; being adjudged mentally incompetent; or being convicted of a felony, or crime of moral turpitude. The administrative officer is entitled to a hearing before the City Council on the validity of the grounds providing the basis for removal for cause.

The City Council may remove any of its administrative officers at its pleasure, without cause stated or hearing had, by the affirmative vote of four members in favor of such removal, and the determination of the council in such matters shall be final and conclusive.

Section 204. Administrative Officers; Qualifications and Duties

The City Manager shall be the administrative head of the City government. The duties of the City Manager shall be as prescribed by this Charter or by ordinance of the City Council.

The City Attorney shall be the chief legal advisor to the City and the City Council. The City Attorney shall be an attorney-at-law, admitted to practice as such before the supreme court of the state, and who has been in actual practice therein for at least three years next preceding appointment. All other things being equal, an attorney who has had special training or experience in municipal corporation law shall be appointed to the office if practicable. The City Attorney shall, within his or her discretion, prosecute all violations of city ordinances and shall draft or approve all contracts and other legal documents and instruments.

Section 205. Interference With Performance of Duties of City Manager

No member of the City Council shall in any manner attempt to influence or coerce the City Manager in the making of any appointment or the purchase of supplies in accordance with the Charter, City ordinance, or applicable state and federal law.

Except for such direction that it provides to the City Attorney, the City Council shall deal with the administrative functions of the City through the City Manager. The City Council shall only have direct contact with the directors of the City's departments for the purpose of asking questions.

No Council Member, and no officer, board or member of any board or commission, shall recommend the appointment of, appoint, vote for or elect, to any office, position of employment, in any department of the City government, any person

related by consanguinity or connected by marriage with such Council Member. A breach of this section shall be cause for removal of any such Council Member, officer, board or member of such board or commission.

Article 3 Legislative Authority

Section 300. Ordinances

The City Council shall act by ordinance, resolution, or motion. Except for urgency ordinances, except for ordinances calling for or otherwise relating to an election, and except for other ordinances identified in the general laws of the State that do not require introduction prior to adoption, no ordinance shall be passed by the City Council on the date of its introduction, nor within five (5) days thereafter, nor at any time other than at a regular meeting. Nothing herein shall be construed as prohibiting minor changes, amendments or modifications of a proposed ordinance between the time of its introduction and final passage, providing its general scope and original purpose are retained. The affirmative vote of three (3) members shall be necessary to the passage of any ordinance. All ordinances and resolutions shall be signed by the Mayor and attested by the City Clerk.

The enacting clause of all ordinances shall be, "The City Council of the City of El Cajon does ordain as follows." All ordinances, with the exception of the annual appropriation ordinance, shall contain but one subject, which shall clearly be stated in the title.

Fines and other penalties for the violation of City ordinances shall be in such amounts as established by the City Council in the City's Municipal Code, but no civil fine or penalty shall exceed \$2,500 for each day of the same violation provided, however, that any civil fines or penalties established by any state or federal agency, which can be imposed on the City for violations of statutes or regulations adopted by that state or federal agency, may be imposed by the City against any person, entity, or organization violating any City ordinance related to such state or federal law or regulation, in like amount. The maximum amount of any civil fines or penalties shall not be limited to those amounts established by State law for criminal fines or penalties.

Article 4 Fiscal Matters

Section 400. Purchasing and Contracts

"Public Works Contract," as used in this section, means an agreement for the erection, construction, alteration, repair, or improvement of any public structure, building, road, or other public improvement of any kind, which is paid for in whole with tax revenue paid by residents of the city of El Cajon.

“Other Public Contract” as used in this section means any contract, purchase order, or other agreement used to procure services and supplies of any kind, that are paid for in whole with tax revenue paid by the residents of the city of El Cajon.

The City is exempt from the provisions of all California statutes regulating public contracting and purchasing, except as provided by this Charter, City ordinance, or by agreement approved by the City Council.

Public Works Contracts having a total value less than or equal to \$50,000 shall be exempt from public bidding and shall follow such procedures for open market sale or purchase as set by the City Council.

The City Council shall establish all standards, procedures, rules or regulations to regulate all aspects of the bidding, award and performance of any Public Works Contract greater than \$50,000, including but not limited to, the compensation rates to be paid for the performance of such work.

The City may, without exception, enter into Other Public Contracts. Other Public Contracts shall follow such procedures as set by the City Council.

No City Public Works Contract or Other Public Contract shall require payment of the prevailing wage schedule unless: the prevailing wage is legally required and constitutionally permitted to be imposed by the requirements of federal grants, state grants, redevelopment law, or other federal or state law; or the project is considered by the City Council not to be a municipal affair of the City; or payment of the prevailing wage schedule is authorized by resolution of the City Council. Payment of the prevailing wage schedule, if authorized hereunder, shall use the pertinent rates published by the State of California.

The City will promote fair and open competition for all City construction projects so that all contractors and workers, whether union or non-union, are treated equally in the bidding and awarding of City construction contracts.

Section 401. Franchise Agreements

“Broughton Act” refers to the Public Utilities Code of the State of California, Division 3, Chapter 1, Section 6001 et seq., as it may be amended from time to time.

The City is exempt from the Broughton Act and the Franchise Act of 1937. Franchise agreements shall follow such procedures as set by the City Council.

Section 402. Miscellaneous Provisions Relating to Appropriations

Any budget modification resulting in a fund appropriation increase requires City Council approval. Transfers of appropriations between funds may only be made by authority of the City Council. The City shall have the power and authority: to adopt and enforce all legislation, laws, and regulations; and to take all actions necessary to exercise any and all rights, powers, and privileges heretofore or hereafter established, granted, or prescribed by any law of the State of California, or by any other lawful authority. In the event of any conflict between the provisions of this Charter and the provisions of the general laws of the State of California, the provisions of this Charter shall control.

Section 601. Council Member Compensation

Notwithstanding the previous paragraph, the salaries of the Mayor and Council Members will continue to be set by California Government Code §36516, as that statute provides as of the date of the adoption of this Charter, where the formula considers city population and state law. The salaries of the Mayor and Council Members at the time of the adoption of this Charter shall remain in place until changed in accordance with this section, and any changes shall take into consideration the length of time since the last increase in salaries, including while the City was a general law city.

**Article 7
Interpretation**

Section 700. Construction and Interpretation

The language contained in this Charter is intended to be permissive rather than exclusive or limiting and shall be liberally and broadly construed in favor of the exercise by the City of its power to govern with respect to any matter which is a municipal affair.

Section 701. Severability

If any provision of this Charter should be held by a court of competent jurisdiction to be invalid, void or otherwise unenforceable, the remaining provisions shall remain enforceable to the fullest extent permitted by law.

**Article 8
