IV. STATUTORY VALUE OF ASSETS OWNED BY EL CAJON HOUSING AUTHORITY IN LMIHAF

Under the Dissolution Law and for purposes of this Report, the “statutory value of real property” means the value of properties formerly held by the former redevelopment agency as listed on the housing asset transfer schedule approved by the Department of Finance as listed in such schedule under section 34176(a)(2), the value of the properties transferred to the Housing Authority pursuant to section 34181(f), and the purchase price of property purchased by the Housing Authority. VI. PROJECT DESCRIPTIONS

The Housing Authority does not receive or hold property tax revenue pursuant to the ROPS.

VII. STATUS OF COMPLIANCE WITH SECTION 33334.16

With respect to interests in real property acquired by the former redevelopment agency prior to February 1, 2012, the time periods described in section 33334.16 shall be deemed to have commenced on the date that the Department of Finance approved the property as a housing asset in the LMIHAF. Thus, for any real property acquired by the former redevelopment agency now held by the Housing Authority in the LMIHAF, the Housing Authority must initiate activities consistent with the development of the real property for the purpose for which it was acquired within five years of the date the DOF approved such property as a housing asset. For the El Cajon Housing Authority, the date of DOF’s approval was August 23, 2012.

Health & Safety Code section 33334.16 provides that the legislative body may extend the obligation of the Housing Authority to initiate development or dispose of former redevelopment agency property for one additional period not to exceed five (5) years. On August 8, 2017, prior to the expiration of the initial five-year period, the El Cajon City Council approved an additional five-year extension of the period to initiate development activities or dispose of the property described as the Lot Adjacent to 146 Ballantyne, as required by Health & Safety Code sections 33334.16 and 34176.1(e).

Health & Safety

Section 34176.1 provides that section 33334.16 does not apply to interests in real property acquired by the El Cajon Housing Authority on or after February 1, 2012; however, this Report presents a status update on the projects related to such real property.

Address of Property	Date of DOF Approval or Acquisition	Deadline to Initiate Development Activity	Status of El Cajon Housing Authority Activity
131 and 151 Chambers (Solterra Sr. Residences)	8/23/2012	--	Completed. Construction of this 49-unit affordable housing development for seniors was completed in 2013 and is now in service. Subject to a Ground Lease and Regulatory Agreement.
146 Ballantyne	8/23/2012	--	Disposed. This property was sold to El Cajon Senior Towers in 2013 for parking and open space for the tenants. The proceeds were deposited into the LMIHAF.
Lot adjacent to 146 Ballantyne	8/23/2012	8/23/2022	This is a remainder parcel (vacant) following a lot line adjustment and sale of the larger parcel to El Cajon Senior Towers (above). The City is exploring options for development and/or disposition of this site. On August 8, 2017, prior to the expiration of the initial five-year period, the El Cajon City Council approved an additional five-year extension of the period to initiate development activities or dispose of this property, as required by Health & Safety Code sections 33334.16 and 34176.1(e).
250 E. Lexington (Lexington Senior Apartments)	8/23/2012	--	Completed. This 100-unit affordable housing development for seniors was completed in 1997 and is now in service. Subject to a Ground Lease and Regulatory Agreement.
812 / 814 Grossmont Avenue	5/10/2013	12/5/2018	Development initiated. Under the former "Greenovation Program," a prior developer acquired the subject property and constructed two new single-family (manufactured) dwellings and a concrete pad suitable for a third unit. The property was thereafter transferred to the Housing Authority in October of 2016. On April 25, 2017, the City Council authorized the sale of the property to San Diego Habitat for Humanity for \$640,000, and approved the execution of a DDA for development of the project. The DDA requires Habitat to divide the lot into 3 separate lots, construct a 3 rd single-family residence, and sell all 3 residences to lower-income households at an Affordable Housing Cost. Escrow closed on the sale of the property to Habitat on or about August 24, 2017. Habitat has since processed a one-lot subdivision to create sellable units and submitted a building permit in November, 2018 for the third and final unit.
Prescott Promenade - Parking Lot (adjacent to Lexington Sr. Apts)	6/27/2014	--	Completed. This property was developed as a shared-use parking lot which serves the adjacent Lexington Avenue Senior Apartments and neighboring public/community facilities.

VIII. DESCRIPTION OF OUTSTANDING OBLIGATIONS PURSUANT TO SECTION 33413

Replacement Housing (section 33413(a)): As set forth in the 2009-14 El Cajon Redevelopment Agency Five Year Implementation Plan and Ten Year Housing Compliance Plan for the former redevelopment agency, adopted at a public hearing on June 23, 2009, the agency's replacement obligations totaled 15 units (30 bedrooms) for moderate income households. The outstanding replacement housing obligation was met with the completion of construction of the 49-unit Solterra Senior Residences development for very low income seniors in 2013. The former redevelopment agency's Implementation Plan is posted on the City's website at <http://www.cityofelcajon.us/your-government/departments/community-development/successor-agency/projects>.

Inclusionary/Production Housing. On January 31, 2012, the Agency reported an outstanding affordable housing obligation of 46 units. The outstanding housing production obligation was met—with a surplus of 18 affordable units—with the completion of the following projects on or after February 1, 2012:

- Two (2) First-time Homebuyer loans for low income households in 2012 (Birchwood Lane);
- Development of the 49-unit Solterra Senior Residences in 2013 (48 units restricted for very low income and 1 unit restricted for moderate income);
- Recording of covenants to impose a requirement that 15% of the units (13 units) in the El Cajon Senior Towers be restricted to very low income households through the sale of adjacent property at 146 Ballantyne in 2013; and
- Construction is underway on the 70-unit Cornerstone Place project for low income veterans and families. The project includes one managers unit, and therefore 69 of the 70 units will be restricted to low income households. Completion is expected in late 2019 to early 2020.

IX. EXTREMELY-LOW INCOME TEST

Section 34176.1(a)(3)(B) requires that the Housing Authority must require at least 30% of the LMIHAF to be expended for development of rental housing affordable to and occupied by households earning 30% or less of the AMI. If the Housing Authority fails to comply with the Extremely-Low Income requirement in any five-year report, then the Housing Authority must ensure that at least 50% of the funds remaining in the LMIHAF be expended in each fiscal year following the latest fiscal year following the report on households earning 30% or less of the AMI until the Housing Authority demonstrates compliance with the Extremely-Low Income requirement. This information is not required to be reported until 2019 for the 2014 - 2019 period.

X. SENIOR HOUSING TEST

The Housing Authority is required to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Housing Authority, the former redevelopment agency and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Authority, the former redevelopment agency and/or City within the same time period. If this percentage exceeds 50%, then the Housing Authority cannot expend future funds in the LMIHAF to assist additional senior housing units

until the Housing Authority or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

The following provides the Housing Authority's Senior Housing Test for the 10 year period of 2007-08 to 2017-18:

Unit Category	2007-08 to 2017-18
# of Assisted Senior Rental Units	61
# of Total Assisted Rental Units	131
Senior Housing Test Percentage	47%

Based on the results of the above Test, the Housing Authority can now expend future funds in the LMIHAF to assist additional senior housing units until the Housing Authority or City assists, and construction has commenced, on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

XI. EXCESS SURPLUS TEST

Excess Surplus is defined in section 34176.1(d) as an unencumbered amount in the account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the Housing Authority's preceding four fiscal years, whichever is greater.

The following provides the Excess Surplus test for the preceding four fiscal years:

Activity	2014-15	2015-16	2016-17	2017-18
Ending fund balance	\$13,882,850	\$13,706,025	\$13,705,596	\$14,396,008
Less unavailable amounts:				
Loans Receivables/Land Held for Resale	(\$11,109,385)	(\$10,901,832)	(\$10,965,484)	(\$11,480,047)
Unencumbered LMIHAF	\$2,773,465	\$2,804,193	\$2,740,112	\$2,915,961
Total deposits for last four years	\$4,887,519	\$3,614,620	\$2,555,621	\$3,137,375
Greater of \$1,000,000 or total deposits	\$4,887,519	\$3,614,620	\$2,555,621	\$3,137,375
Computed excess surplus	\$0	\$0	\$184,491	\$0

At fiscal year ending June 30, 2018, the LMIHAF had no Excess Surplus. The unencumbered amount in the LMIHAF did not exceed the aggregate amount deposited in the fund for the past four fiscal years. The Housing Authority must, within three (3) fiscal years, encumber the excess surplus for the purposes allowed under Community Redevelopment Law, in compliance with HSC Sections 34176.1(a)(3) or (c)(2). If the Housing Authority fails to comply with this requirement, the Housing Authority will be required to transfer the funds to the State of California Department of Housing and Community Development. Excess surplus amounts will be committed to fund new projects in the coming fiscal year.
