

Notice of Planning Permit Application REVISED PROJECT DESCRIPTION

Date:	April 17, 2019
Project Name:	Renette Wireless Facility
Permit Number:	Specific Plan No. 532
Applicant:	Paul Hokeness, Depratti Inc. on behalf of AT&T
Project Location:	935 South Emerald
Project Description:	New freestanding wireless communication facility and equipment enclosure at Renette Park. The proposed equipment will be located on two field lighting standards (up to 80 feet in height) to be located in the grass field. The light standards will provide lighting for the multi-use sports field.
Project Manager:	Melissa Devine 619.441.1773 MDevine@cityofelcajon.us

This notice is to inform you that a land use or development project application has been submitted to the City of El Cajon. As a community member in the general vicinity of the project site, you are invited to review the proposed project and submit any comments or concerns. Comments may be delivered via email to the project manager listed above, or by letter to the return address. Please reference the permit number listed above.

Project plans are available for your review during regular business hours at the City of El Cajon, Project Assistance Center, located at 200 Civic Center Way, El Cajon, CA 92020.

The decision to approve or deny this project will be made at a public hearing. Public hearings will be scheduled after the City staff review process is complete. If you wish to receive further notices of public hearings, please contact the project manager to be added to the distribution list.

This information is available in alternative formats upon request
