

## Fall into Learning Fall Day Camps

The City of El Cajon Parks and Recreation Department welcomes you to our Fall into Learning Day Camps. Campers will have the benefit of two Recreation staff (per group) assisting with child supervision and distance learning.

- Fall Day Camps will follow all Current County Health Guidelines. This will include, but not be limited to, pre-camp health screenings and temperature checks. Masks are required for counselors and are encouraged for campers.
- Fall Day Camp will differ from traditional Spring & Summer Camp formats in that the primary focus will be on Distance Learning. Staff will assist campers with their daily school assignments and ensure that campers attend scheduled class videos calls, such as Zoom meetings.
- Campers will have regularly scheduled breaks to go outside and play organized games. Campers are to provide their own lunch and will have a scheduled time to eat.
- Camp units will consist of no more than 12 campers with two counselors per camp unit to work with campers.
- Campers will be required to bring their own device (iPad, tablet, etc.) or other learning materials. Devices must come fully charged for the day and headphones are required. Campers will be responsible for the safe keeping of their own devices and equipment. The City of El Cajon will assume NO responsibility for lost, stolen or damaged property.
- Learning schedules must be set by a teacher or parent, counselors are available to assist campers only, they will not be planning curriculum. Counselors will ensure that there are activities for campers that finish all their pre-assigned work for the day.
- Fall Day Camps will begin the week of August 24, 2020 with the following options being offered: (Camps will need a minimum number of registrants in order to take place. You will be notified if your selection does not meet that minimum.)
